Manufacturer Certification Statement

**Qualified Products: All SunRunner Solar Battery Charging Systems;
Inverters and Monitors; Battery(s) and Battery Monitors.**

AM Solar, Inc. certifies that the above-mentioned products may be eligible for a 26% tax credit. In 2021 it becomes 22% and after 2021 it levels off at 10%. Federal Tax Credit for solar energy systems under photovoltaic systems as prescribed in the Energy Improvement and Extension Act of 2008, as described in IRS Form 5695 as follows: *“Qualified solar electric property costs are costs for property that use solar energy to generate electricity for use in your home located in the United States ... Expenditures include any labor costs properly allocable to the onsite preparation, assembly, or original installation of the energy property ... The home does not need to be your main home.”*

All AM Solar products must be installed per the manufacturer’s instructions to be eligible.

I certify that the above statements are true to the best of my knowledge. Please refer to IRS form 5695 and your tax advisor to see how this statement applies to your specific situation.

Garret Towne, President, AM Solar, Inc.

Disclaimers: AM Solar, Inc. makes no warranty as to the qualification of the products for federal tax credits if there are changes in requirements or applicable law.

AM Solar, Inc. is not a tax advisor. Taxpayers claiming a tax credit should consult a tax professional with any questions. AM Solar, Inc. is not responsible or liable for the taxpayer’s ability to receive tax credits. This document is not intended to constitute legal or tax advice.

The user maintains the full and complete responsibility to comply with all codes, laws and regulations applicable to the safe and proper use, handling and installation of the product and should consult with a professional for all construction and design related questions.
